MEDINA COUNTY'S LEADING NEWSPAPER SINCE 1886

Published each Thurs., at 1601 Ave. K, Hondo, \$5 per year in county, \$6 out of state; 2nd class postage pd. at Hondo, Texas 78861.

85th Year--No. 20

Hondo, Medina County, Texas 78861, Thursday, May 17, 1973

14 Pages in Two Sections--10c

WE'RE FLYING . . . Bruce Q. Baize, manager, contracts division of Del Rio Flying Service, left, and Col. John G. Schmitt, Jr., deputy

commander for flight operations at the Lackland AFB Officer School, appear real happy that today [Thursday] is the official beginning

of the Pre-Screening Flying Training program at Hondo Airbase.

Agri-business meet set

[Editor's Note: One of the main programs of the Hondo Chamber of Commerce board wanted to promote this year was Agribusiness. Henry Nietenhoefer accepted chairmanship of the Chamber

Agribusiness Committee and has been working closely with County Extension Agent Glenn Bragg on the program. The following letter is a result of that cooperative effort. Although it has the

editor's name at the top, this letter is actually addressed to community leaders throughout the county, and is self-explanatory in what it is attempting to accomplish.] Dear Mr. Lawrence:

An attempt is being made to plan a County Wide Program on Agribusiness. We are trying to develop a program that will be helpful to every town in Medina County. As a leader of your community we would like for you to serve as a member of the planning committee.

On Monday, May 21, 7:30 p.m. this committee will meet in the Hondo City Hall. Kenneth Wolf, Economist, Texas A&M University, and Kenneth Graeber, Area Economist, Uvalde, will be present to help with the planning session.

We are trying to design an Agribusiness Seminar for sometime in September to learn the feasibility and evaluate the possibility of establishing New Industry in the Medina County Area.

If you cannot serve as a member of this committee please ask a representative of your community to serve. We would like for you to invite anyone else in your community that you feel would be interested in this program.

Please let me know if you have any questions.

Henry Nietenhoefer is the chairman of this committee.

Sincerely,
Glenn Bragg
County Extension Agent

Job program slated

Medina County will receive \$21,114 for the Summer Youth Program providing jobs to 43 disadvantaged youngsters under the Emergency Employment Act. The program begins June 1.

The funds were part of a ten-county allocation of \$11,698 which is being handled by the Alamo Area Council Governments for the state of Texas. The money will be used to handle a nine-week program during which school-age youth will be able to work 31 hours each week receiving the \$1.60 hourly minimum wage.

Eligible employing units in Medina County include the County Governments, Municipalities, Independent School Districts and the Soil Conservation Service. Working with Medina County Judge Jerome Decker and other officials in the county, AACOG has allocated the 43 job slots as follows:

City of Devine - 6; City of Hondo - 6; City of Castroville - 6; Hondo ISD - 5; Medina Valley ISD - 5; Devine ISD - 5; D'Hanis ISD - 4; Natalia ISD - 4; and SCS - 2.

Under Guidelines from the Department of Labor covering the summer youth program, priority in hiring must be given to prospective employees who are considered

Flying program officially opens Thursday, May 17

Hondo Municipal Airport.

Brig. Gen. Guy E. Hairston, commander of the Officers School at Medina AFB, will open the ceremony 2 p.m. Thursday which will herald the official beginning of the T-41 flight screening program at

No public notice but...

City Council keeps spending money

More of the Hondo Revenue Sharing funds have been expended by the City Council in a Tuesday evening called meeting.

A motion in the April 10 regular Council meeting, which dedicated \$14 thousand toward purchase of a

Sewage treatment discussed

Sewage treatment took on an expensive odor Tuesday night of last week at the City Council meeting when the installation of a new treatment tank was discussed. It was about a \$75,000 smell.

"Our engineer Frank Bain told me today that a new Imhoff tank added to our present system would cost approximately \$75,000," Water Superintendent Elmer Faseler told the Council.

Faseler pointed out that it is the treatment facilities that are nearing the point of being a bother, not the discharge end of the plant. "As long as we have irrigated land on which to discharge our affluent," he said, "we will have no trouble there."

"But we are running right at capacity on our treatment facilities," he added. Right now we are treating some 405,000 gallons per day. This new tank would add 180,000 gallons to that capacity, and this would handle our sewage problems up to approximately 10,000 population."

Ways of financing such an outlay were discussed with Revenue Sharing funds catching the eye of most of the Council. They did agree, however, to check with the appropriate agency to see if this is a legal expenditure of these funds, since the act prohibits using the money to gain matching Federal funds.

But it was agreed that the problem is one that must be tackled in the very near future.

new motor grader was rescinded in the called meet, and a new motion was made by Reno Stanga, seconded by Hilmer Mueller, that the entire \$25.5 thousand bill for the grader be paid at once out of Revenue Sharing money. That motion passed unanimously.

Use of the federal money for these projects was chosen because that would free the City to spend its General Fund on projects without need of conforming to the federal guidelines tied to Revenue Sharing.

An additional \$6.6 thousand of the Revenue Sharing fund was dedicated to payment for a GMC truck for the Water Department and a new Chevrolet police car.

Prior to these actions, approximately \$19.4 thousand, which had been held in a savings account by the Hondo Development Fund, was transferred into the General Fund of the city of Hondo.

In further action, the Council voted to renew all insurance contracts on city property and personnel, subject to cancellation following an in-depth study of city insurance needs.

The study will be undertaken in the near future to assure the city that no property is insured beyond its replacement value, and that adequate coverage is provided for all property.

A request was read which asked for lease payment by the city to the Southern Pacific Railroad for its use of 28 feet of right of way just adjacent to the side track, just south of the bank in downtown Hondo. Since the city already holds a perpetual easement to the right of way which extends 28 feet south of 18th St. toward the track, and since the City has never before been required to pay a lease for use of the other 28 feet to the track, it was decided on a motion by Bud Gwartney, seconded by Reno Stanga, to table the matter pending further study.

Two meetings were called by Mayor J. G. Barry for the month of May. One of these was set for Tuesday, May 22, for the purpose of meeting with County Commissioners in reference to Hospital Board members. Asked if this was to be a closed meeting, Mayor Barry replied that it was.

A second called meeting was set for Friday, May 25, to present the City Budget for 1973-74.

The meeting was then closed to visitors and the press for discussion of personnel.

Rodeo action slated for June 1 & 2

Rodeo action is on its way to Hondo!

The annual Medina County Rodeo is slated for 8 p.m. on June 1 and 2 with seven big events scheduled to thrill the crowds.

These events and entry fees include: bareback riding, \$25; calf roping, \$25; barrel racing, \$5 (jackpot nightly); team roping, \$30 (tenter twice); bull riding, \$25; calf scramble, kids under 12; special event-cow milking (MCRA members only), \$30 team.

Books open on this big event at 2 p.m. May 31 and close at 6 p.m. with all entry fees being in cash.

Vic Garza Rodeo Company of Hondo will produce the rodeo this year, according to Medina County Rodeo Association members who are sponsoring the annual event.

Admission will be \$1.50 for adults and 75 cents for children.

Special graduation advertising page slated for May 24. Do you want to be on it? Call 426-3346.

GIVEN HIGH AWARD . . . Wally Porter, general manager at Universal Rundell, holds the Boy Scout Century Award recently presented to the company for its outstanding support of Scouting. The presentation was made at a meeting of the Hondo Lions Club. [Photo by Tony Mendoza]

A FRIENDLY WELCOME

. . . to the Del Rio Flying Service as it begins operating the Pre-Screening Flying Training Program for the Air Force.

And that program officially begins today [Thursday, May 17].

Under the supervision of Bruce Baize the program is getting off

Cont'd On Page 2

Letters from the mailbox

May 10, 1973

Dear Mr. Lawrence:

Perhaps it was my own personal understanding, or lack of it, that caused me to take issue with one of your statements in last week's editorial column. You mentioned, in said column, that some people were offended, although not harmed by foul language that was used during the recent chili cooking contest. Perhaps I am reading too much in between the lines, but the implication of your statement left the thought that you might have been condoning such usage (although toned down).

Unfortunately, a large cross-section of our society today seems to have reappalled Epicurias' philosophy of "do your own thing," failing to realize that the rights and freedoms of one individual end where those of another begin. Laxity in speech, such as that evidenced at the cookout, illustrates a total lack of concern for the feelings and beliefs of others.

Foul language in an educated society is completely out of place and only magnifies the true character of those who so speak. Of course, some segments of society will always advocate such behavior and will strive to pull others down to their level. But to allow such practices in our public celebrations is very distasteful. Foul language in public is not only unrighteous and disgusting to God, but is likewise illegal and publicly embarrassing.

Surely James understood the nature of man when he wrote, "For in many things we offend all. If any man offend not in word, the same is a perfect man, and able also to bridle the whole body . . . But the tongue can no man tame; it is an unruly

evil, full of deadly poison" (James 3:2,8). Indeed, none of us will ever attain perfection, but this does not excuse blatant disregard for God or for other members of society. All of us, idealistically, should be striving toward a state of perfection (Godly perfection) and should therefore make every attempt to harmonize all of our activities both to God and to society.

To achieve this we must have the understanding and support of all Americans - those who are in or join our Guard and Reserve, the families of those individuals as well as their employers. In the case of employers, this could mean some reasonable adjustment in policy so that Guardsmen and Reservists can play their part in this nation's "Total Force" for national defense.

Last June, President Nixon asked me to chair a special Committee whose objectives are to develop better public understanding of the vital role of the Guard and Reserve and to obtain the full cooperation of American employers in allowing and encouraging their employees to participate in the Guard and Reserve programs. When I accepted this assignment, I was confident that, once the need was known, American employers would willingly give their support and establish personnel policies which would encourage employee participation in these important programs.

We had considerable participation from Hondo in that Glenn Bragg and the 4-H Clubs put on the corn husking and shelling. Mr. Bragg will be in to see us soon about doing the same event this year. We hope for general community involvement in some manner.

Come to see us when you can.

Sincerely,
O. T. Baker
Festival Manager

Dear Editor:

We have seen dramatic progress away from war and in the direction of that generation of peace which is the goal of our nation. At the same time, it would be folly for us to believe that we no longer need a national defense prepared

to meet emergencies. This is the time to increase our vigilance by reaffirming our dedication to the traditional concept of the citizen-military. This will afford us a most effective defense organization at the lowest possible cost.

To achieve this we must have the understanding and support of all Americans - those who are in or join our Guard and Reserve, the families of those individuals as well as their employers. In the case of employers, this could mean some reasonable adjustment in policy so that Guardsmen and Reservists can play their part in this nation's "Total Force" for national defense.

Last June, President Nixon asked me to chair a special Committee whose objectives are to develop better public understanding of the vital role of the Guard and Reserve and to obtain the full cooperation of American employers in allowing and encouraging their employees to participate in the Guard and Reserve programs. When I accepted this assignment, I was confident that, once the need was known, American employers would willingly give their support and establish personnel policies which would encourage employee participation in these important programs.

As the former Chairman of the Board of General Motors, I am happy to report that my faith in the American business community has not been misplaced. I have been greatly encouraged by the early response I have received from companies, both large and small, and by the many personnel policies sent to me as evidence of employer support.

It is now Department of Defense policy that in any future build-up of the Armed Forces, the Nation-

al Guard and Reserves, and not the draft, would be the initial and primary augmenting element for the active forces. Under the "Total Force" concept, the All-Volunteer force will be composed of 2.3 million active duty and 1 million selected reserve members.

In the past three years, equipment inventories of the Guard and Reserves, badly depleted during the Vietnam build-up of the active forces, have been replenished at an annual rate of more than \$500 million. In the next fiscal year, the equipment build-up will exceed \$1 billion, and the total investment of the Guard and Reserves

will be the largest in any single year of our history. This addition of equipment is coming from existing resources. In addition, new missions have been developed bringing Guard and Reserve components more in line with active duty counterparts. With these substantial investments, there has been an intensification of the readiness training of the Guard and Reserve units.

A well-equipped and fully-manned National Guard and Reserve, deployable on short notice, is potentially the most economical part of our defense system (30% of the manpower for less than 5% of the defense budget). An effective Guard and Reserve is also the best guarantee against having to use a peacetime draft in future years.

To be a member of the Guard and Selected Reserve one must devote a weekend a month, and an additional two weeks each year, to training exercises. Fortunately, there are employers who encourage their employees to participate in Guard and Reserve programs. Their encouragement comes in the assurance that there will be no discrimination against those employees in

their consideration for advancement; in the granting of military leave in addition to regular vacations; and in expressions of appreciation of their employees' contributions to the security of our nation.

I urge all Americans, particularly employers, to support this concept, a concept on which our nation was formed nearly two hundred years ago and a concept which has retained our basic freedoms ever since.

Sincerely,
J. M. Roche
National Chairman

Chamber Corner

By Lillian Porter
Executive Secretary

They always return, sooner or later!

Richard Sauder of Gratiot, Indiana visited our office this past week. He was stationed here during World War II and left

Hondo in 1945. He came back to renew old friendships with Mr. and Mrs. F. H. Hollmig and Mr. and Mrs. Milton Heyen.

Friday afternoon, Peggy Heyen, secretary of the Medina County Rodeo Association, used our office to take applications for the Medina County Jackpot Roping held Saturday and Sunday.

Bud Johnson, in talking to a salesman, found out that Advance Drainage System, Inc. from Brownsville, Tennessee plans to open a plant in Texas. We will try to get in on the ground floor by sending them Hondo information courtesy of the Chamber of Commerce Industrial Liaison Committee headed by Larry Oefinger.

Buster Rath called to check on the Hondo population. The census report I gave him was 1960-4,992 and in 1970-5,487. But look at the rest: in 1940 we have 2,850 and then the Air Base was established and it increased to 12,000 within a few months, but with the field closing it became a town of slightly more than 4,000. The 1950 census listed 4,220. So it has actually grown little since then. We know some of the new residents would like to know what the population is today. To start the guessing ball rolling Buster Rath says he estimates 6,750.

We had four long distance phone calls last week checking on local information, deer leases and hotels and motels.

This bill, if passed by

the Senate, would become effective September 1, 1973.

Its aim is to encourage competitive pricing of automobile insurance while continuing the Board's powers to protect Texans from unfair or deceptive practices.

Capital Punishment

Assuming its responsibility in the fight against crime, the House also

passed House Bill 200.

This bill, relating to capital punishment, would reinstate the death penalty for certain types of murder. Punishment by death is called for by this

legislation in these areas:

the murder of a peace officer or firemen while they were acting in the

lawful discharge of an

official duty, murder com-

mitted for remuneration,

and murder committed

during the act of other

crimes such as kidnapping,

robbery or rape.

This bill attempts to fill

the vacuum created by the

United States Supreme

Court ruling that the

indiscriminate administration

of the death penalty

was illegal.

Livestock

Last week I received a

progress report from the

Texas Animal Health

Commission whose duty it

is to periodically check the

health conditions of all

livestock in Texas. It

reported that during the

week, 290 head of cattle

and 186 head of horses

were treated for fever

ticks.

This marks an overall

increase in the year's

average but according to

the Commission, after

taking seasonal adjust-

ments into account, the

situation seems normal.

Screwworm cases were

also covered during the

month of May. There were

nine confirmed cases in

that period, with none

occurring in our district.

This increases the total for

the calendar year to 94.

The Commission said that

this was a normal number

for the time of the year,

and is far below the

epidemic proportion

reached last year.

More about . . .

Sparks

to a fine start with the exception of its new hangar, which has been delayed by the weather.

This welcome naturally includes those Air Force personnel who will work with the Del Rio Flying Service to see that the students receive the best training available.

I understand the program does not hit full stride until about August, but several personnel are on board right now performing the initial phase.

Welcome to Hondo everyone, and we sincerely hope that your treatment from all the townspeople will leave you with a "good taste for Hondo".

From the sound of a letter written to the City, this new company in town is receiving royal treatment. But let's give you a look at the full letter:

City of Hondo

Attention: Mr. Fritz Leinweber

Gentlemen:

We would like to take this opportunity to thank you for the warm welcome, friendship, and cooperation we have experienced during our first month of operation.

We are especially grateful for your immediate response in furnishing us a sweeper within minutes after ours failed. We are pleased to be here and are looking forward to becoming an integral part of your community.

Respectfully,

MUSEUM FIGURES

. . . keep changing ever nearer to the point we will know what we actually made on the big day.

As of May 10, the total gross figure stood at \$7,015.67. Deduct some \$2,753.38 in bills as of the same date and you have \$4,262.29 left at this time.

"Of course," said Treasurer Mrs. Sally Brucks, "this is not the total figure. We still have some money coming in and we still have more bills out. So it will be a week or two before we know the final outcome. However, we will keep the public informed."

FAREWELLS

. . . are always sad, and I think they are doubly so in the case of the Air Force GCA personnel who "shut down shop" last week and are leaving Hondo.

This unit, headed by MSgt Dave Knight and TSgt Pete Pike, has really "been a part" of Hondo since they arrived two years ago. They have taken part in almost every civic event that happened and tried to be "good citizens".

Several of them have even married local girls, so they will continue to hold ties with our community.

For everyone in town, men, let me say, "Thanks for coming our way and it has been a pleasure to know you."

Scouting News

San Antonio -- "Hondo

and Medina County are

among the key members of

our council in a long range

plan to offer Scouting to

more boys than ever

before," declared Pat Legan, chairman of the

council's five-year program

committee.

The Alamo Area Council

has long been one of the

most important factors in

the guidance of a tremen-

dous number of this area's

young men. And, our

council's goal is simple-

more service to more boys.

Legan made these ob-

servations as he an-

nounced the men who will

head each panel in the

five-year program.

"Attainment of our

five-year program goals

require thorough, long-

range planning, plus ex-

ceptional management and

execution on the part of all

Scouts in our council,"

he said.

The Castroville An

Shower honors Miss Finger

Miss Molly Finger, bride-elect of Steve Turner, was complimented with a kitchen shower Saturday night, May 5, at the home of her aunt, Mrs. H. F. Rucker of Sabinal. Co-hostesses were Mrs. Stuart Willis of San Antonio and Mrs. Jack Henderson of Uvalde.

The 25 guests, regis-

tered by Miss Shannon Rucker, included members of the family and friends from Sabinal, Hondo, D'Hanis and Uvalde. Special guests were Mrs. Tom Finger and daughter, Sally, of D'Hanis and Mrs. Dink Turner and daughters, Dana and Mitzi of Uvalde.

Miss Beth Henderson served cake, which was

decorated with miniature kitchen utensils, and Miss Marcy Rucker served Hawaiian pineapple punch. The centerpiece, made by Mrs. Rucker and given to the honoree, was a three-tiered wedding cake made of white bath towels and washcloths and decorated with artificial white roses and miniature wedding party figures.

Beverly Jean Cook

Engagement announced

Mr. and Mrs. R. E. Cook of Albuquerque, New Mexico announce the engagement and approaching marriage of their daughter, Beverly Jean, to Sam Alan Bybee, son of Mr. and Mrs. Paul W. Bybee of Hondo.

The bride's floor-length A-line gown of chiffon was designed with an empire waistline, long sleeves and a high neckline. Her headpiece was a mantilla and she carried a bouquet

of white roses.

A reception and dance was held at Los Palmos Hall in Lytle. Plates of chicken salad sandwiches, potato salad, chips, dips, the bride's cake and punch were served.

The couple is now at home in New Braunfels where the groom is employed.

Survivors in addition to Mrs. Nester are two sons, Joe A. Hons and Vincent M. Hons of San Antonio; and daughters, Mrs. Aloys Fey, New Braunfels, Mrs. George L. Dziuk, Elmen-dorf, and Mrs. Joe L. Jarzombek, San Antonio.

Mrs. Hons was preceded in death by her husband, Joseph B. Hons, on July 10, 1956. Two sons also predecease her. Second Lieutenant Sigmund B. Hons was killed in an airplane accident November 16, 1943 and Pfc. Casper M. Hons died on Luzon June 22, 1945.

Miss Cook is a graduate of Tascosa High School of Amarillo. She received her Bachelor of Science Degree from Texas Tech University. Miss Cook is presently employed at the Uvalde Independent School District.

Mr. Bybee is a graduate of Hondo High School and received his Bachelor of Science Degree in Civil Engineering from the University of Texas at Austin.

The First United Methodist Church of Uvalde is the setting for the July 14th wedding.

Reverend Victor G. Schmidtinsky will give the Baccalaureate sermon.

Mrs. Hons dies

Mrs. Mary B. Hons, age 77, mother of Mrs. John J. Nester of D'Hanis, died suddenly early Saturday morning at her home in Hobson, Texas.

Funeral Mass was said for Mrs. Hons at 4 p.m. Sunday, May 13, in St. Boniface Catholic Church in Hobson. Burial was in the Hobson Cemetery.

Officiating at the services were Rev. Emil Vinklarek, pastor, and Rev. Theo Janisek of Falls City.

Pallbearers were her grandsons, George K. Dziuk, Jr., David Jarzombe, James Fey, Jerome Fey, Joseph Nester and Mark Dziuk.

Survivors in addition to Mrs. Nester are two sons, Joe A. Hons and Vincent M. Hons of San Antonio; and daughters, Mrs. Aloys Fey, New Braunfels, Mrs. George L. Dziuk, Elmen-dorf, and Mrs. Joe L. Jarzombek, San Antonio.

Mrs. Hons was preceded in death by her husband, Joseph B. Hons, on July 10, 1956. Two sons also predecease her. Second Lieutenant Sigmund B. Hons was killed in an airplane accident November 16, 1943 and Pfc. Casper M. Hons died on Luzon June 22, 1945.

Mr. Bybee is a graduate of Hondo High School and received his Bachelor of Science Degree in Civil Engineering from the University of Texas at Austin.

The First United Methodist Church of Uvalde is the setting for the July 14th wedding.

Reverend Victor G. Schmidtinsky will give the Baccalaureate sermon.

"THANKS" . . . says the sign held up by the Junior Garden Club members just before they scattered last Friday to pick up trash and other litter around town in preparation for Museum Day. The sign is written by the Garden Club of Hondo, and thanks Camp Fire Girls, Boy Scouts, 4-H, Bluebirds, Cub Scouts, and the Junior Garden Club for their efforts in Cleaning-Up Hondo.

HD Council meets

The Medina County Home Demonstration Council met on Monday, May 14, at the Medina County Home Demonstration Extension Office with Chairman Mrs. Amy Noblitt presiding.

The secretary, Mrs. Floyd Saathoff, read the minutes of the previous meeting. Presidents of the four clubs in the county gave their annual reports with Mrs. Nancy Cox

Here in Hondo

Clarence Brucks spent Easter week in Hondo visiting his parents, Mr. and Mrs. Joe Brucks, and his sister's family, Marvin and Freda Niethofer and boys, Clarence and his wife, Sharleen, live in Colorado Springs, Colorado where he is employed as a computer programmer.

New officers for the 1973-74 year were installed by Mrs. Marie Odam, Parliamentarian. Those installed were Chairman Amy Noblitt, Vice Chairman Sharon English, Secretary Doris Saathoff, Treasurer Martina Saathoff. Mary Newman was appointed Reporter.

The meeting adjourned and coffee was served by the Devine Sr. HD Club.

Hondo Anvil Herald, Thurs., May 17, 1973, Pg 3

Natalia sailor graduates

USS Oriskany -- Navy Electronics Technician First Class Richard L. Nicholson, son of Mr. and Mrs. Jack Nicholson of Route 1, Natalia, has returned to his homeport at Alameda, California, after a ten-month deployment to the Western Pacific aboard the aircraft carrier USS Oriskany.

During the deployment, he visited the Philippines, Japan, Guam and Hawaii.

Pvt. Rhines graduates

Ft. Polk, La. -- Army Private Archie E. Rhines, 19, whose parents, Mr. and Mrs. Glenn W. Rhines, and wife, Cora, live in Castroville, recently completed eight weeks of basic training at the U.S. Army Training Center here.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid and Army history and traditions.

Private Rhines served with Company B, 3d Battalion of the 2d Basic Combat Training Brigade.

He is a 1971 graduate of John Jay High School, San Antonio.

4-H members go to state meet

The first Texas 4-H Congress will be held April 10-12 at the Shamrock-Hilton Hotel in Houston.

Mariette Aelvoet, Hondo, newly elected Medina County Council Chairman, and Joe Hartley, Natalia, Medina County Council treasurer, will represent Medina County at this conference.

Lynda Howard, Devine, will also attend as a 4-H state Council member.

The main thrust of this program will be centered in "Values in Our Society". This topic was selected by the Texas 4-H

Council at their annual meeting last year. Some of the outstanding authorities in business, government, and education will participate and discuss how values relate to their particular fields and societies in general.

Not only will the delegates have a chance to discuss these issues, but they will also make recommendations and suggestions for enriching the 4-H program.

District 13 will be sending a quota of 37 4-H members, two agents and four district council officers.

Zazzera wins West Point slot

Jerome F. Zazzera, son of Mr. Charles and Mrs. Darlene Balzen Zazzera, 138 Fallbrook St., Carbondale, Pennsylvania, has been notified of his acceptance to the U.S. Military Academy at West Point.

Jerome F. Zazzera

Zazzera is the grandson of Mrs. Velma Balzen and the later Walter G. Balzen of Dunlay. He is also the nephew of Mrs. John Walker of Hondo and Mrs. Benny DeJorino of Dunlay.

Word of the appointment came from Congressman Joseph M. McDade and from Howard Patton, Chief of the U.S.M.A. branch of the U.S. Military Personnel Center.

Patton congratulated Zazzera on his performance in the entrance examinations and said "your record of accomplishments indicates that you will be successful as a cadet and in professional soldiering."

I extend personal best wishes as you embark on your career of service to the United States, and bid you welcome to the famous Long Gray Line."

He will begin cadet training at West Point with the class of 1977 on July 2, 1973.

Guests of Mr. and Mrs. Oscar Tschirhart Sunday were the Ron Boyces, the Al Fohns, the Leslie Tschirharts and the Allen Ihnkens.

Here in Hondo

Mr. and Mrs. Julius E. Berning of Pueblo, Colorado visited Mr. Louis Bohmfalk Thursday.

Mr. and Mrs. Floyd Saathoff of San Antonio were here to visit Mr. Saathoff's father, Mr. August Saathoff.

Red Burell of Castroville visited his mother, Mrs. Regina Burell, Sunday.

Mrs. Norman K. Gray and Kendra of Uvalde visited Mr. and Mrs. W. B. Melton Sunday.

Mr. and Mrs. Dan Burell of Castroville visited Mrs. Regina Burell Saturday.

Mrs. Louis Bohmfalk of Lytle visited her husband, who is a resident here at the nursing home.

Plans are being made for a July 20th wedding.

Visitors of Mrs. Regina Burell this week were Mrs. Hilda Tondre, Mrs. E. C. Braun, Edwin Burell, Mrs. Long, Mr. and Mrs. Milton Bendele, Mrs. Medard Ahr, Mrs. Richard Ahr, Mr. and Mrs. Dan Burell and Mr. and Mrs. Dan Burell and Red.

Mrs. Luella Ward of New Braunfels visited Mrs. Minnie Lindeberg, who is a resident here at the Home.

Mrs. Louis Sprott and Mrs. Anna Blanton visited Mrs. Ella Leinweber this week.

Plans are being made for a July 20th wedding.

Dr. O. A. Fly Jr. Memorial held

Memorial Day for the late O. A. Fly, Jr., M.D., was observed in Houston

May 5 at Rosewood General Hospital, of which Dr. Fly was Chief of Staff at the time of his death in 1972.

Dr. Fly was the son of Mr. and Mrs. O. A. Fly of Hondo and had other relatives in Uvalde, including Dr. Sterling H. Fly, Jr. of that city.

Dr. Loren W. Haus, president of the medical staff at Rosewood, presided at the special service which began at 10 a.m. Saturday, and he also gave welcoming remarks and made introductions. Rev. Glen E. Echols, Bethany Methodist Church, gave the invocation and message. Acknowledgement from the medical staff came from Dr. V. P. Collins.

Memorials have made possible the O. A. Fly Library at Rosewood General Hospital, and also the O. A. Fly Patient Room 204. Both were open for touring on Saturday.

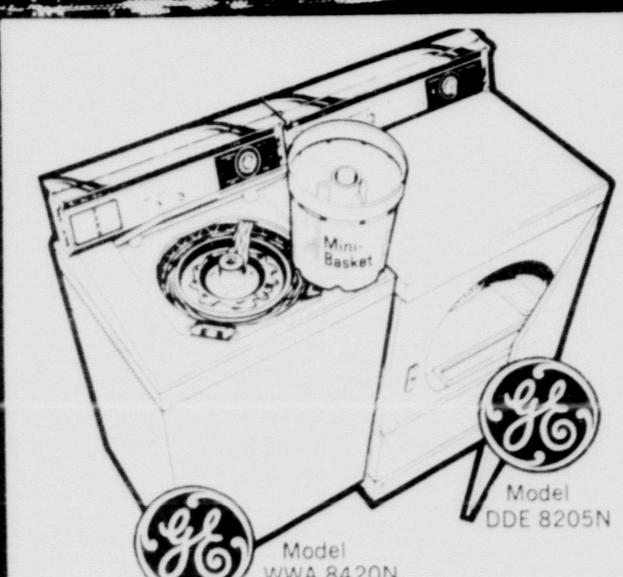

Members of Dr. Fly's family were present, including his widow and children and also his parents, Mr. and Mrs. O. A. Fly, Sr., and Dr. and Mrs. Joe Mims, and Mr. and Mrs. Bill Fly of San Antonio.

Mrs. O. A. Fly, Jr. departed Houston for Dallas that afternoon to be present at the Texas Medical Association annual meeting at the Statler Hilton in Dallas at which time her late husband was also to be honored during memorial services Sunday morning.

The parishioners of Our Lady of Grace Church, LaCoste, invite the public to come and enjoy a good meal and a pleasant day with them.

Don't plow up grass

rainfall. We of the Soil Conservation Service feel that landowners must give more time before plowing out and replanting all permanent grasses.

Results have been good on all spring plantings of 1973, and the year, though weather has been unpredictable, has been ideal in almost all locations of our district. It is very important that we want a good stand overnight of any grass or crop that we plant. Many times we get impatient with our good perennial grasses because they are slower than cash crops of grain or plantings of sudan, cane, or hybrid grass.

Recently, we have observed several plowing up coastal that was an average stand and would have covered very nicely by fall with average

Deadline for acreage certification

Monday, June 11, is the deadline date for certifying compliance with requirements of the 1973 farm programs for producers signed up in Feed Grain, Wheat and/or Cotton Programs.

Peanut producers must also certify on or before June 11.

Notes from Sis

This week's ALL SHE WROTE column is not really "all". This is an S.P. sort of a P.S. in reverse - and defined as "Space Permitting". These items represent M-Day notes.

MILDRED (Mrs. Lloyd) WHARTON and her two sisters were having one of their frequent trio reunions. Sister SUE (Mrs. W. E.) LOHN of Brady, now retired, is a former society editor of the Brady Standard and we established what might be called "printer's ink rapport". Another sister, KATHY (Mrs. W. J.) SALUDIS of Austin is an accounting clerk in the office of State Comptroller Robert S. Calvert, a post she has held for the past ten years.

One of Mildred's nieces, JERRY SESSION and her daughter TRACEY (9) were wearing mother-daughter dress-alikes. Jerry is a home demonstration agent in the Hill Country. She and Medina County's GAYE BIPPERT are good friends and both are in the Uvalde District. ***

Over the heads of the crowds I exchanged waves and howdy's with many other folks and wished time and energy had permitted a real visit. I tried to chat with others in the Armory but competition from the band, in a warm-up session for the evening's dance, was laying it on "heavy" in anticipation of what have been accompaniment for the "light" fantastic toes later on. Bells and decibels must have hit new high Saturday afternoon.

When a woman concedes defeat in conservation, that has got to be somep'n else again. Ask any man.

Hondoan leads in Ford sales

Elmer Nienhoefner of Jake Schuele Ford of Hondo, will be honored for outstanding sales performance during 1972 at a Ford 300-500 Club banquet in May.

R. E. Parr, Ford Division's Houston district sales manager, said a select number of Ford dealership salesmen will be presented club membership award for "excellent retail sales performance".

The 300-500 Club was founded in 1950 to recognize the performance of outstanding Ford salesmen throughout the country.

4-H Club News

Dog & Training Club

The Hondo 4-H Dog and Training Club met on May 8th at the Rothe Martin home.

President Karen Reinhart called the meeting order. We thank Wayne Scholtz, Assistant County Agent, for showing the film "The Adventurous Pup". Curt Collier gave the Pledge and Ute Nichols gave the Motto. A demonstration was given by Kay and Nancy Martin on "How to Teach a Puppy Tricks".

Members attending the meeting were Jo Stickney, Ute Nichols, Pattie Seals, Tammy, Rodney Shadwick, Kaye and Nancy Martin, Karen Reinhart, Rose Mary Rios, Douglas and Chris Cole and Patrick Richards.

Guests were Bonnie and Anna Lee Geuea and Bradley Gwartney.

Here in Hondo

Ethan Howard Calk was recently elected a member of the Alva Chapter of the National Honor Society. He is a junior at Edison High School in San Antonio, and is the son of Mr. and Mrs. Ben Calk and the grandson of Mr. and Mrs. Otto Wiemers of Hondo and the late Mr. and Mrs. H. T. Calk of Del Rio.

It was good to see the MILTON MECHLERS and the Dr. O. B. TAYLORS. They were listening to the Owl Band concert. HAZEL was seated beneath the protecting shade of a tree. Her big eyes are as lovely as I remembered them and she

These are just one group from among the many that performed Saturday night in the 'Showcase Musical' presented by the Hermann Sons School of Dance. Left to right, they are Hayley Harrison, Patty Seals, Jessica Muennink, Angela Braden, Rebecca Holmgren, Libby Nationa, and Laurie Laughinghouse.

Elected to Angus Association

Two Hondo area Angus breeders have been elected to the American Angus Association.

They are Been Bros. and Robert K. Chism, Jr. Local members were

Quihi banquet held

"Flowers for Mother" was the theme of the Mother-Daughter Covered-Dish Banquet held by the Women's Circle of the Quihi Bethlehem Lutheran Church on Friday night, May 11, and attended by some 100 mothers, daughters and friends. The church's parish hall and pavillion were gaily decorated with many beautiful flowers and pastel streamers.

After a meal on the pavillion, everyone went into the parish hall for the program presented by Mrs. Melvin Dittmar, program chairman; Mrs. Wilbur Lindeburg, pianist; and the girls of the Sunday School. Other organizers of the evening were Mrs. William Grell, general chairman; Mrs. Rolf Saathoff, tables chairman; Mrs. Milton Poehler, decorations chairman; tration chairman, and Mrs. Rudy Proctor, Jr., awards chairman.

This information will be the basis for determining the planted acreage for the State of Texas and for each county. There are 254 counties in Texas and reports are needed from many farmers so that each county will be well represented. Accurate estimates are of great importance to farmers in planning production and marketings and in providing an unbiased picture of Texas agriculture.

The Texas Legislature has provided a program of estimates for each county. Texas covers such a wide area that State totals alone do not provide adequate information on Texas' most basic industry - agriculture. This is a cooperative effort of USDA's Statistical Reporting Service and the Texas Department of Agriculture.

The door prize was awarded to Miss Carol Schott, granddaughter and guest of Mrs. Alfred Saathoff.

The meat counter this month will probably be hamburger, beef liver, chicken, turkey and some kinds of fish.

In addition to replacing expensive types and cuts of meat, poultry and fish with cheaper ones, the economy-minded shopper can replace some of the meats she would ordinarily use with alternates such as eggs, dry beans and peas and peanut butter. These foods are suitable replacements for meat because they provide protein and other nutrients for which meat, poultry and fish are valued. Cheese can also be used.

The meat, poultry and fish items in meals usually cost the most. But the range in costs of different types and cuts of meats is great, so careful selection may result in worthwhile savings. Keep in mind that the economy of a cut depends on the amount of cooked lean meat it

provides as well as its price per pound. For example, a 3-ounce serving of hamburger costs 22 cents, chicken 25 cents, ocean perch 26 cents, ham 32 cents, chuck roast 40 cents, round-steak 55 cents, sirloin steak 72

State FHA meet held

The State FHA Meeting was held May 3-5 at the Convention Center in San Antonio. Voting Delegates Kay Schulte and Marriette Aelvoet represented the Hondo FHA Chapters at the Thursday night session. They voted on several amendments to the State Constitution.

At the second general session on Friday morning the guest speaker was Marilyn Van Derber, a former Miss America. Her topic was "Reach Beyond Your Grasp".

Saturday morning they enjoyed a very entertaining speaker, Everett S. "Bunny" Martin, who spoke about "The Choice is Yours". Mr. Martin won the World Yo-Yo Championship in Toronto, Canada. The Saturday session

ended with the installation of the new state officers.

Other Hondo FHA members attending the convention were Dottie Woolls, outgoing area officer; Diane Lively, incoming area officer; Anna Renken and Gail Lutz. Advisors attending were Mrs. Mabel Jones and Mrs. Kathy Walker.

Fertilizer

helps crops

By Glenn Bragg
Medina Co. Ext. Agent

Plenty of soil moisture and adequate amounts of fertilizer make a good combination for the production of high-quality forage.

Fertilizer not only improves the quality of forage that animals can graze, but also increases forage yields from the same acreage. Furthermore, livestock prefer fertilized pastures to those that are not, points out Bragg.

Research has shown that pasture crops receiving proper fertilization can produce three to four times as much forage as pastures which have not been adequately fertilized. This means that three to four times as many cattle could be grazing the same acreage, contends Bragg, thereby boosting the potential for increased profits.

Grasses that are hungry for fertilizer have a weak root system and are unable to make maximum growth. Most of Medina County pastures are on soils low in nitrogen and phosphorus. Thus, an adequate amount of fertilizer is necessary to produce good tonnages of good quality hay in grazing crops. Phosphorus should be applied in early spring while nitrogen should be applied several times during the growing season.

Start with a soil test to determine the amount of fertilizer needed for season-long production of high-quality forages. Timely fertilizer applications along with good soil moisture can provide nutritious grazing.

The first option, The Delayed Entry Program, permits a person to enlist in the Army before graduation and not leave for active duty until 8th June 1973.

The second option, The Buddy Program, permits young men to enlist for the same type of training and if qualified, go through basic and advanced training as a unit.

These individuals may, if they further desire, be assigned to their choice of a division or unit located at Fort Hood or Fort Sam Houston.

The "Alamo Platoon"

Hondo Anvil Herald, Thurs., May 17, 1973, Pg 9

Rep. Poerner to present SWTSU

Commencement talk

San Marcos -- State Rep. John Poerner, in his third term as a member of the Texas House of Representatives, will be the keynote speaker during the second of two spring commencement ceremonies slated for Southwest Texas State University Saturday, May 19, in Strahan Gym.

Rep. Poerner, who represents the 45th congressional district, is a native of D'Hanis. He makes his home in Hondo where he has banking, farming, ranching and land development interests.

A practicing land surveyor for 15 years, he owns John H. Poerner and Associates.

Currently chairman of the General Education Sub-committee, Rep. Poerner also holds seats on the house's Agriculture and Transportation Committees. During the 61st and 62nd legislative sessions, he held a number of important committee assignments.

Included in Rep. Poerner's district are the counties of Hays, Kendall, Blanco, Medina and Frio and the northwest corner of Bexar County.

Active in community leadership, Poerner received the "Citizen of the Year" award in Hondo in 1961. He is a past president of the D'Hanis Lions Club, a past zone Lions Club chairman, past president of the Hondo Chamber of Commerce and the Hondo Hospital Board.

Poerner will deliver the commencement address at ceremonies for College of Arts and Sciences and Graduate School graduates, scheduled for 11 a.m. May 19. Degree candidates from the college and the school total 334.

Earlier in the day, SWTSU's retiring Education School Dean, Dr. J. Lloyd Rogers, a member of the university's faculty since 1936, will address College of Professional Schools graduates at 8:30 a.m. in Strahan Gym. Five-hundred and forty-eight students have applied for degrees to be awarded in the early morning commencement program. Several of them are from Hondo, D'Hanis and the Medina County area.

Army seeks recruits

Army recruiters from this area are actively engaged in enlisting young men and women high school seniors and graduates for active duty commencing 8th June 1973.

According to Lt. Col. Raymond C. Moir, Commander of the U.S. Army Recruiting Main Station in San Antonio, the project, known as "The Alamo Platoon", will offer a combination of three Army enlistment options to qualified individuals.

The various participating Army Units will furnish band music, a color guard and a display of current Army equipment. In addition, a helicopter flyover is planned, along with a repelling team which will provide a thrilling demonstration of how a combat team can exit a helicopter as it hovers at least 100 feet off the ground.

Units participating in the "Alamo Platoon" are: The First Cavalry Division, The 2nd Armored Division, and The 720th Military Police Battalion from Ft. Hood. The Brooke Army Medical Center Unit of Choice and the Ft. Sam Houston Station Choice are also participating from Ft. Sam Houston.

BY GAYE BIPPERT Medina County HD Agent

Stretching food dollars in today's markets is a challenge to most shoppers regardless of income. For those on a limited budget, finding ways to cut food costs as prices continue to soar is a continuing concern.

There is no answer to the question how much you should spend for food. You should spend enough to give your family nutritious meals they enjoy eating. A good diet depends on the foods you select, not the amount of money you spend. To help you estimate how much you might reasonably spend.

The meat, poultry and fish items in meals usually cost the most. But the range in costs of different types and cuts of meats is great, so careful selection may result in worthwhile savings. Keep in mind that the economy of a cut depends on the amount of cooked lean meat it

provides as well as its price per pound. For example, a 3-ounce serving of hamburger costs 22 cents, chicken 25 cents, ocean perch 26 cents, ham 32 cents, chuck roast 40 cents, round-steak 55 cents, sirloin steak 72

cents. The best buys at the meat counter this month will probably be hamburger, beef liver, chicken, turkey and some kinds of fish.

In addition to replacing expensive types and cuts of meat, poultry and fish with cheaper ones, the economy-minded shopper can replace some of the meats she would ordinarily use with alternates such as eggs, dry beans and peas and peanut butter. These foods are suitable replacements for meat because they provide protein and other nutrients for which meat, poultry and fish are valued. Cheese can also be used.

The meat,

Screwworms not so bad this year

Thus far, no screwworm cases have been reported in Medina County. However, screwworm cases in Texas are on the upswing, bearing out the fears of officials of the Screwworm Eradication Project that continued warm, wet weather would boost the activity of the flesh-eating livestock pest.

As of May 1, 89 cases have been confirmed in the state this year, according to County Extension Agent Glenn Bragg. Twenty-one cases popped up during the past two weeks as the screwworm flies began moving northward from overwintering areas in northern Mexico and southern Texas.

Of special notice is a case confirmed in San Saba County on April 27. This case, plus a previous San Saba case and one in adjacent Llano County, all in Central Texas, could be a sign of things to come. They are the northernmost cases to be confirmed this year.

The weather is going to be a key factor this year in determining the screwworm situation, Bragg believes. With all the moisture over much of the state at the present time, the situation could change rapidly.

The agent urges all livestock producers in Medina County to keep a close check on their herds and to inspect closely any cuts or wounds on animals. A sample of any worms found should be sent to the Screwworm

Lab at Box 969, Mission, Texas 78572, for identification. If the worm is identified as a screwworm, sterile flies will be dropped over the area where the case originated.

Prompt reporting by producers is critical to the effectiveness of the eradi-

cation program. It's the key ingredient for avoiding a screwworm epidemic such as the one which swept the state last year.

Producers submitted a record 508 non-screwworm samples to the Mission Lab in April. These samples, plus 34 which

proved to be screwworm cases, made April an excellent reporting month. Bragg urges producers to continue the good job of reporting.

The U.S. case total now stands at 97 with Arizona recording seven and New Mexico one.

Defense of food prices

Moline, Ill. -- Despite the current emotional reaction to food prices, Americans are spending a significantly smaller share of their after-tax income for food than they did 20 years ago, Chairman William A. Hewitt of Deere & Company told company stockholders today.

Hewitt said Americans are spending only 15.7 percent of their after-tax income on food today compared with 23 percent in 1952.

"In those 20 years, after-tax incomes have risen 150 percent. Spending for food went up 70 percent. During the same 20 years, prices of all consumer goods went up 58 percent. Prices of food away from home --- eating out --- increased 90 percent. Prices of food prepared at home rose only 38 percent," he said.

"The farmer is one of the most productive workers in America. His output per man hour has tripled in 20 years. No other segment of our economy is close to matching that record."

"Strangely when we pass out rewards for outstanding performance and production, the farmer has not gotten his full share. Income from farming over the past 20 years has gone up 36 percent. Personal income of all Americans has risen 250 percent. The average income of farm people is 17 percent less than that of city and townspersons."

"In the past 20 years average farm prices have increased only 12 percent. The level of prices farmers pay has risen 51 percent,

and farmer's total production costs have more than doubled."

Noting that in 20 years Americans have increased their beef consumption from 62 pounds per person to 116 pounds per person, Hewitt said food prices have gone up because the demand for food has gone up faster than food production can be increased in a short period.

"Last year food production increased, and it will continue to increase this year. A supply of food sufficient to fill the demand for it will bring prices down -- not price ceilings and price-rollback laws that operate to reduce supplies," he said.

Hewitt said an instant reduction in food prices through price controls which some people seek would be counter-productive.

"America has excellent resources for food production that are operating at much less than capacity. Those resources can absorb the current increase in demand and still have a significant reserve."

"High prices rather than controlled prices are the one best way to encourage farmers to increase production, which will lower prices. But the laws of nature dictate that farmers can respond to higher prices and greater demand only if given time. A cow produces only one calf a year, and some calves must be held to increase breeding stock. Most crops grow only once a year too. 'What we need now is patience, now passion. We need economic understanding, not just political pressuring,'" Hewitt said.

the single-game playoff between the two deadlocked schools, Carrizo relied on timely hits and Orange errors to score three runs in the third inning.

Ines Valerio led off the inning with a single and moved to second as Jessie Garcia beat out a bunt. Both advanced a base on a wild pitch, and then Juan Valerio sliced a bloop single to right, scoring both Garcia and the other Valerio. The rally continued as Albert Barajas singled on another Texas Leaguer to left and Juan Valerio scored.

Panther hurler David DeCock quieted the rally, but the MV boys could not put a run on the board until the sixth inning. With none out, Virgil Jungman singled to right, Garland Boehme reached on an error and DeCock singled. Jungman scored on the single. Jerome Iltis then reached on a second base error, Boehme also scored, and the bases were

filled when Joel Kempf walked.

The Panthers seemed certain to even the score as there were no outs, but Tim Beck lined a sharp drive to third baseman Johnny Campos. Campos made the catch inches from the base, and Jungman could not return in time to avoid the double play. The next hitter struck out to end the threat and the inning.

Winning pitcher in the game was Elifonso Esquivel and DeCock took the loss for the Orange.

Panther hurler David DeCock quieted the rally, but the MV boys could not put a run on the board until the sixth inning. With none out, Virgil Jungman singled to right, Garland Boehme reached on an error and DeCock singled. Jungman scored on the single. REPRESENTING D'HANIS . . . in the Hill Country Baseball League are the Cardinals, with a record so far of 3-2. In the front row, left to right, are batboy Jim Bendele, Albert Ludwig, Rothe Carle, John Zinsmeyer, Rusty Attaway, Greg Rothe and Tom Rothe. Back row: Chuck Burrell, Ray Bendele, Ray Wolff, Rick Rohrbach, Chris Finger, John Bendele and Walt Rothe.

Cardinals down Eagles 8-4

Walt Rothe, who came in to relieve injured starter Chuck Burrell in the fourth inning, Rusty Beard took the loss for Hondo.

The Eagles took an early three-run lead in the third on a Juan Miranda homerun and added another in the fourth to lead 4-0 when Kenny Weynard was hit by a pitch forcing Henry Walch in to score.

The Cardinals turned it around in the fifth, though, as the first seven men to bat in the inning all scored. Highlight of the rally was a three-run homer by Walt Rothe which carried far over the right field fence. The score held for the duration of the game as both sides settled into good defensive play. Both teams were plagued with miscues, each having seven errors in the game.

Leading hitter for either team with the only two hits of the entire Eagle roster, was Juan Miranda. Gathering hits for D'Hanis were John Zinsmeyer, Rusty Attaway, Walt Rothe, Albert Ludwig, John Bendele and Ray

Wolff. Burrell and Rothe combined to strike out 15 Eagles, walking only five. Hondo pitchers Rusty and David Beard struck out three and walked nine.

Eagles host 90's Sunday

The Medina Valley 90's will be in town Sunday to play a game against the Hondo Eagles.

The 3 p.m. game will match the two member teams of the Hill Country League and the second game in two weeks between the Eagles and a neighboring town team.

Last week the Eagles lost to the D'Hanis Cardinals, 8-4.

Sunday's game will be played at the Senior League Park on the Air Base.

Split fest winners named

It was a good spitting contest they had at the Museum Day Celebration.

There were two categories in the contest, which required a strong stomach, nimble lips, and a good-size chaw of tobacco.

Hitting the bull's eye, plus a little of the surrounding territory, was Larry Oefinger. For this achievement, he walked off with the Accuracy crown.

In the sheer range department, John Rohrbach reared back and fired amber stream about 22 feet to take that honor.

Oh, yes. Mrs. Mary Lewis won the first place in the Women's Division by default. It seems she was the only contestant in the division.

Burrell picked to South All-Star football team

Spencer Burrell, senior running back for the D'Hanis Cowboys, has been chosen for the South All Star football team, which will play in the 39th Annual Texas High School All-Star football game August 2 at Texas Stadium in Irving.

Burrell, son of Mr. and Mrs. Otis Burrell of D'Hanis, was one of four players chosen from the ranks of Class B. Each of Classes 4-A, 3-A, 2-A and A were allotted five players, and Class B four, for a total of 24 boys.

Additionally, eight players were chosen on an at-large basis, for a total of 32.

The game will be a part of the Texas High School Coaches Association Coaching School, to be held in Dallas July 30-August 3.

John Ferrara, head coach at Robert E. Lee High School of San Antonio, will coach the South All-Stars in the game.

Others in the area who were chosen to the team were Paul Jett IV of Devine, and Randy Gerdes of Uvalde, and Tommy Kramer of San Antonio Lee.

Selections to the teams were made by a panel of ten coaches representing each of Texas' five high school divisions. Only one representative was eligible from any school.

Reserved block tickets at \$4 each for the game are now available to groups of 16 or more at the Dallas Cowboys ticket office at 6116 North Central Expressway, Dallas. Public ticket sales will open July 1 at a dozen north Texas outlets for both reserved \$4 tickets and end zone seats for \$2.

The roster of the South Football All-Stars is as follows:

Dan Alexander, Houston Lamar; Val Belcher, Houston Reagan; Jeff Bergeron, Port Neches-Groves; Donnie Bulanek, Danbury; Spencer Burrell, D'Hanis; Jerry Callier, West Orange; Mike Crosswhite, Gregory-Portland; Jimmy Dean, Freeport Brazoswood; Randy Fieber, New Waverly, and Stanley Freeman of Corpus Christi Carroll.

Also, Randy Gerdes, Uvalde; Bill Herrin, Baytown Sterling; Tom Hrncir, Louise; Ricky Irby, Mont Belvieu Barbers Hill; Paul Jett IV, Devine; Tommy Kramer, San Antonio Lee; Randall Miskich, Needville; Obie Moore, Austin Reagan; Steve Mzyk, Falls City; Morris Richardson, West Columbia; Doug Robertson, New Diana; Reggie Rogers, Beaumont; Curtis Simpson, Chilton; and Kenneth Smith of Stafford Dulles.

Michael Spencer, Schulenburg; Bill Wade, Hillsboro; Bill Waddy, Boling; Jimmy Walker, Newton; Racco Wiest, Pasadena Rayburn; Wilson Whitley, Brenham, and Andy Wunsch of Houston Sterling complete the South Squad.

Players selected for the North include:

Tim Black, Amarillo Palo Duro; Bob Borron, Imperial Buena Vista; Dale Calhoun, Valley View; Carl Chandler, Alpine; Eddie Collins, Blooming Grove; Anthony Edwards, Tulia; Mike Floyd, Spearman; Zack Fry, Rockwall; Craig Grendenning, Celina; Mark Grayless, Conroe; Jim Gresham, Killeen; and Thomas Howard of Lubbock Dunbar.

Also, Dan Irons, Lubbock Monterey; Larry Isaac, Lubbock Estacado; Aley Jackson Jr., Dallas South Oak Cliff; Nelson King, Aledo; Roy Leach, Jacksboro; Rae Leifeste, Mason; George Lewis, Gainesville; Rucker Lewis, Plano; Edward Lockhart, Odessa Ector; Richard McCampbell, Pampa; Donald Roberts, Seminole; and James Roller of Midland Lee.

Bryan Seely of Irving; Joe Segalia, Pecos; Wesley Schribner, Anna; Tommy Shields, Clarendon; David Shipman, Odessa Permian; Ivy Suber, Fort Worth O.D. Wyatt; Ricky Templeton, Bangs; and Gary Trosper of Dumas complete the squad.

Head Coach for the North is John Clark of Plano High School.

NEW! COOKIES FROM DUNCAN HINES

NEW RECIPE IDEA

PEANUT BUTTER COOKIES

MAKES 24 COOKIES

1 pkg. Duncan Hines Yellow Deluxe Cake Mix
1 cup peanut butter
1/2 cup cooking oil
2 tablespoons water
7 eggs

Prefheat oven to 350°
Combine all ingredients and mix well. Drop from a teaspoon onto an ungreased cookie sheet.
Press a cross on each cookie with fork prongs that you have dipped in water.
Bake at 350° for 10-12 minutes until golden.
Cool on cookie sheet for about 1 minute, then remove to racks to finish cooling.
